Graphic Design Services

National Fleet Graphic Services

As a 3M Platinum approved expert manufacturer and installer, we offer a full range of options to meet your needs. We'll install your fleet graphics anywhere across North America. Be it your company name, the product you have or the promotion you run, INPS is your source for creative, meaningful messages. Black shiny chrome or multi-coloured, your graphics will catch the eye of your customers and prospects.

Fleet graphics are a great way to make sure your message is seen... **everywhere**. INPS Fleet Solutions can help you expand your organization's impact and reach by creating a fleet of moving billboards. No matter where your audience is, your fleet can be there, clad in eye-catching graphics. Consistency is important, and we'll ensure your fleet graphics are consistent across the region or across the country.

Your fleet will receive optimal graphic placement for maximum visual impact, as well as compliance with regulations. INPS also manufactures full fleet graphics kits for emergency services vehicles, trucks and cars. To ensure the installation of your fleet graphics is as peerless as our product, we provide on-site, 3M-preferred graphics installation service.

Whether your fleet is big or small, fleet graphics can create a valuable, cost-effective media asset to help drive brand awareness, sales and business growth.

Our comprehensive fleet graphics program includes:

- Design
- Colour Selection
- Specification
- Production
- Installation
- National roll-outs
- Site Visits
- Program follow up
