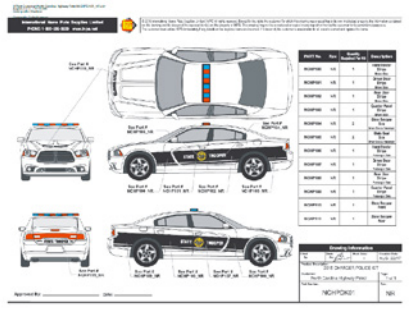

Graphics Department

# ABOUT US

We design and produce your artwork in-house, ensuring that the end result matches your vision

INPS brings 50 years' experience as a trusted, reliable supplier to police and emergency vehicle departments across North America. As a 3M Select Platinum Graphics manufacturer and installer, we design, produce and install your police vehicle decals, or you can have a 3M Professional Preferred Installers do the installation.

## OUTSTANDING GRAPHICS, INSTALLATION & WARRANTIES

**Design:** INPS' graphic team works from supplied digital files, samples or drawings, to rapidly produce new artwork or modify existing files to create fleet or vehicle concept.

**Engineering:** INPS' engineering department ensures the best material and process support to provide the best solution for our customer's needs.

**Production:** Using only inks that meet the exacting standards of 3M's MCS warranty program, we will provide proofs that are durable for field testing.

**Installation:** Your graphics will be installed by a 3M Preferred Installer with the highest level of attention and expertise.

Once installed to our exacting standards, your new graphics are covered by the most comprehensive warranty in the business – 3M™ Matched Component System (MCS™) Warranty.

Over 50 years in Business.

Be seen at night

## NEW VEHICLE DECAL PROGRAM

Whatever quantity or model of your new vehicle purchase, rest assure INPS has you covered. Whether INPS supplies the decals to your installation crew or your decal Procurement includes installation you can rely on INPS for quality and on-time delivery.

## MAINTENANCE VEHICLE DECAL PROGRAM

Vehicle crashes are unpredictable in when they occur but what is predictable is that INPS has set up and worked with your agency to best support your maintenance facility with spare parts.

- Customer service
- Quality
- On-time delivery
- Work with your team for planning

## 3M REFLECTIVE MATERIAL

Make sure that your police force is visible and recognizable at all times. Create awareness and a strong visual identity with custom-designed police vehicle graphics and decals that exceed NFPA 1901 standards.

3M™ Scotchlite™ Reflective Graphic Film Series 680:

- Available in numerous colors, including black (which reflects white)
- Excellent angularity
- Pressure-activated adhesive for easy sliding and tacking
- Permanent
- For vertical, flat, curved or corrugated surfaces, with or without rivets
- Up to 9 year durability

Be Seen. Be Safe.  
3M materials keep  
vehicles visible on  
the darkest roads.

We design, print and install fleet decals printed on durable, high-quality 3M Films.

At INPS Graphics, we are involved with almost every step of the production processes. We create the initial concept, we design it, produce it, print it, warehouse it, build it, install it and guarantee it. Our highly skilled, experienced team, provide our customers with custom out of the box solutions.

As an industry recognized 3M preferred installer we can ensure successful graphic applications. INPS is an onsite ambassador in client relations with top quality craftsmanship and detailed communication.

We manufacture full fleet graphics kits for emergency services vehicles, trucks and cars. To ensure the installation of your fleet graphics is as peerless as our product, we provide on-site, 3M-preferred graphics installation service and training.

INPS has printing capabilities: UV Digital Printing, Latex Digital Printing, Screen Printing up to 5' x 12' and up to 6 colours. INPS offers kits and sub kits with just in time delivery.

Your fleet graphics will be backed by the 5-7 year 3M™ MCS™ Warranty, which is the most comprehensive warranty in the industry.

Our comprehensive Fleet Graphics program includes:

- Site Visit
- Design
- Color Selection
- Specification
- Production
- Installation
- Program follow up

After Installation

Police Motorcycle

# SPECIALTY VEHICLES

One off specialty vehicles...from artwork to install.

INPS works with all types of emergency vehicles.

Permanent, moderate or easily removable films are available for each unique situation. Regardless of your branding or campaign goals, starting with a good film foundation is critical.

When it comes time to remove or change the film, high-quality films come off easily and make removal pain-free after the installation.

In addition to the installation benefits of premium graphic films, branding opportunities for your fleet are virtually limitless.

Partial or full vehicle wraps available. Consider your vehicle a moving billboard.

Regional Police Watercraft

Police Mounted Unit Horse Trailer

Graphic films offer maximum versatility covering the gamut of vehicles from:

- Vans
- Semi-trailers
- Utility vehicles
- Passenger vehicles
- Watercrafts
- Motorcycles
- Paddy Wagons
- Armoured Vehicles
- Prison Transport Vehicles
- Special Service Vehicles

# INSTALL TRAINING

INPS has 3M Preferred Installation Expertise.

Do you have an existing install crew?

Are you looking for install training for your team to apply graphics on your fleets? Let INPS install one or two vehicles and then we can train your staff to apply the rest.

Education includes:

1. Material education specific for 3M™ Scotchlite™ Reflective Graphic Film Series 680
2. Installation Tools
3. Preparing the Surface – soap and water / alcohol
4. Installing
  - Large, Pre-spaced Graphics
  - Striping
  - Shields
  - Reflective Tape

Installation tools:

- Scotch™ Masking Tape, 1 inch (25.4 mm) or wider
- Tape Measure
- 3M™ Plastic Applicator PA-1 (Blue or Gold\*)
- 3M™ Low Friction Sleeve SA-1\*
- Single Pin
- Silicone
- Cutting tools, such as a razor blade with a safety holder
- Industrial heat gun; must be capable of attaining 500 to 750F (260 to 399C), or equivalent
- 1/4 inch (0.6 mm) paint brush for applying edge sealer
- 3M Primer 94
- Knifeless Tape

If your crew of installers feel they need more training, they can become 3M certified. The 3M certification includes graphics applied to trailers, vans and cars.

# INTERNATIONAL NAME PLATE SUPPLIES LTD.

### Streamline your operations by including US in them.

INPS is a versatile and virtually unlimited manufacturer and provider of components for a large variety of industries. Through our in-house capabilities and numerous partner companies under the INPS Group, we provide full-scale component acquisition and design services to clients ranging from the largest industry players to smallest of niche businesses.

We are extremely proud of our over 480 employees and unrivaled repertoire of processes. It is by leveraging these assets that we design, engineer and supply products, assisting your company from the drawing board to production and installation. We insist on becoming a part of your team – no other provider seamlessly integrates itself into your company like we do.

### Mission Statement

At International Name Plate Supplies, we are dedicated to providing world class products and services at competitive prices. We accomplish this through personal contribution, teamwork, and continuous improvement. We maintain a management system that satisfies the requirements of ISO 9001:2008, in order to meet our objectives. INPS strives to produce quality products and services which meet or exceed our customer's expectations.
