

EXTERIOR GRAPHICS

Transit Solutions

Our graphic and wraps are available in virtually any dimension, texture and colour (including colour-matching to existing surfaces)

INPS manufactures high quality, reflective exterior graphics; from full vehicle wraps to safety decals and name plates

Keep your outdated components under wraps

We offer a comprehensive line of stock and custom exterior graphics.

- Logos & markings
- Anti-graffiti coatings
- Complete exterior vehicle wraps
- Custom decals
- Paint stencils
- Color matching

Our exterior graphics replace costly and time-consuming re-painting jobs, and are available in virtually any dimension, texture and colour (including colour-matching to existing surfaces). A true no compromise solution, they provide both visual appeal and safety. All of our graphics comply with APTA and FRA regulations.
